

LEADERSHIP

GROW THE PERSON » DEVELOP THE LEADER » BUILD THE TEAM

WSTA and MTA are proud to announce our eighth Leadership Academy that can help fill gaps in your organization. This training will be customized to our industry and provided by a professional facilitator, Dennis Cooley. The program first focuses to **Grow the Person**, second, we **Develop the Leader**, and then we **Build the Team**. This formula has been delivered more than 65 times, within a number of industries, and has proven effective at work, at home and in the community every time.

Some of the key ingredients to this program's success are the assessments that it offers, including StrengthsFinder 2.0 (your talents) and Everything DiSC (your work personality). Through real life example sharing, facilitated workshops and class assigned projects allow you take what you learn and deliver a whole new level of leadership.

One of the biggest takeaways from the 1200-plus participants who have graduated from this Leadership Academy is "the hands-on nature and practical approach to leadership proves life changing when practiced at work and even at home."

"I enjoyed the class a lot and I see myself utilizing and reviewing the information you provided for the rest of my career."
T. O., Network Systems Manager

What do you need? A solid internet connection, which you already have covered! This Leadership Academy will be delivered via Zoom on the dates and times below. **Don't wait, register today to guarantee a spot in our eighth WSTA/MTA Leadership Academy!** Don't let us tell you how good this is, see for yourself! For additional information and testimonials from workshop attendees, please reach out to Dennis Cooley at dcooley@swtc.edu.

ABOUT THE INSTRUCTOR

DENNIS COOLEY is the Director of the Charger Leadership Program and is a training facilitator in the Business and Industry Services Department at Southwest Tech. He is certified to teach DiSC and StrengthsFinder courses. Dennis brings an energetic and inclusive approach to his classroom, whether that is at your location, or at our main campus or outreach locations. He is dedicated to making learning fun and engaging and producing measurable results to improve the bottom line for your business or organization.

The Leadership Academy is provided by the Wisconsin State Telecommunications Association (WSTA) and the Minnesota Telecom Alliance (MTA), in partnership with Southwest Wisconsin Technical College.
